

Home learning

w/b: 11.05.20

Year: 2

Message from Miss Tyler

Hello everyone. Hope you are all well and you have been doing lots of home learning. This week on Friday was the 75th anniversary of VE day. In celebration of this me and Craig made some scones and had a BBQ. I hope you have been enjoying the nice weather. Don't forget to email me what you have been doing for your home learning, take care. x

Message from Mrs Greyling

Hi Year 2, it has been such a long time since we were all together. I hope you've been enjoying a different approach to learning at this time. I look forward to finding out when I see you. I miss you all! x

Celebrating your learning

Remember to send me any examples of work or pictures of fun activities to year2@leapri.herts.sch.uk so that we can celebrate your efforts and learning at home.

Remember to complete your reading daily and your basic maths skills practice.

Here are this week's tasks:

Maths

This week we are going to be looking at time. By the end of Year 2 we should be able to tell the time to the hour, half past the hour and quarter to and past the hour. As well as this we should be able to tell the time in 5 minute intervals.

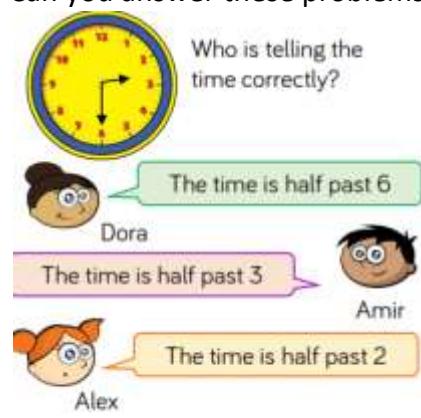

Watch the clip and play the game

<https://www.bbc.co.uk/bitesize/topics/zhk82hv/articles/zcmdwxs>

Also watch this clip about time

<https://www.youtube.com/watch?v=h6RNkQ7IU8Y>

Can you answer these problems?

Can you spot the mistakes they've made?

Continue to practice telling the time throughout the week.

And don't forget you can do other maths tasks and lessons

<https://www.bbc.co.uk/bitesize/dailylessons>

Grammar, punctuation & spelling

When we write a list we use commas in between and then have an and before the last thing in the list.

The list could be for physical items or could be a list of descriptive words. Whatever is being listed, if there is more than 2 there needs to be commas.

Re-write my sentence and put in the commas.

From the shops I need tomatoes pears shampoo flowers cake tissues and cereal.

The big fluffy black and white dog.

Write your own sentence using commas in a list.

Writing

Write a letter to someone that you haven't seen in a while.

Tell them what you have been up to and what you plan on doing.

When you are writing try to include different sentence starters and a range of conjunctions (and, so, but, because, when).

Don't forget the every time we write

-Say it before you write it

-Capital letters and full stops

- Finger spaces

-Spell the 100 High Frequency words correctly

You can also find some daily English lessons at

<https://www.bbc.co.uk/bitesize/tags/z7s22sg/year-2-and-p3-lessons/1>

Reading

In class we used to do quick reads to help with our reading fluency. Attached is a quick read about plants. Just like in class, give yourself 60 seconds and see how far you read up to. Repeat each day, can you get further?

Music

BBC Ten Pieces at home has a really lovely activity this week. It is based on Elgar's Enigma Variations with a creative activity.

Follow the link and have a go!

<https://www.bbc.co.uk/teach/ten-pieces/watch-this-do-this-weekly-activities/zjy3382>

<p>Geography</p> <p>I asked you to look at Kampong Ayer which was a water village.</p> <p>Can you find another village, town or city in the world that is different to the one you live in?</p> <p>Can you tell me how it is different but also how it is similar?</p> <p>Where is it in the world? Can you find it on a map? You can present your findings in anyway, powerpoint, poster, a piece of writing etc.</p>	<p>Physical activity</p> <p>Go to the Fitter Futures website and have a go at the workouts. These are between 6 and 9 minutes long and can be done at any time of the day. Try to mix up the type you choose of exercise you do, so you complete a balance of cardio and core strength activities. The new password for KS1 is 4aebp – this had to be reset so <i>please ask an adult to log on for you, as we must not change the password.</i></p>
<p>D&T</p> <p>I have really enjoyed seeing you all get creative in the kitchen and the feedback I get from some of you was that you love doing cooking and baking!</p> <p>A year 2 food technology objective is to peel and grate ingredients. So I am asking you to get creative once again and to make something that requires you to grate and peel something. I cannot wait to see what you make!</p>	<p>Other learning</p> <p>We all love birthdays and celebrations! And we know how it is just as special to give a present as it is to receive one! Take this time to learn how to wrap a gift so next time you give someone a present it is even more special because you have wrapped it up yourself.</p>

Daily basic skills and online learning

Recommended daily activity and timings to support basic skills

Practise handwriting, using the LetterJoin information and login sent home to help you. 10 - 15 minutes daily.

- Practice your number skills by going on numbots using the logins that were sent home.
- Practice counting in 2, 5, 10. This week can you verbally say them to someone else. Challenge- can you say them forwards and backwards?
- Practice your 2, 3, 5 and 10 times table. This week choose one and write it in order e.g $2 \times 0 = 0$, $2 \times 1 = 2$, $2 \times 2 = 4$ etc.

Can you draw the array to go with each one?

- Practice your number bonds to 10, 20 and 100. How quick can you get at matching them? Draw cherry model to represent them.
- Continue to read books from school and ones that you enjoy. Also get adults to read books and stories to you. Try to read 15 minutes a day.
- Practice reading and spelling the 100 high frequency words.
<https://www.highfrequencywords.org/>
- Practice reading and spelling the Year 2 common exception words. These can be found on Twinkl. You can find flashcards, posters, tick sheets etc.

Do some daily writing- You may want to keep a diary of the activities you do every day. You could also write a story of your own, create a comic strip for a story that you know well, or create some non-fiction fact-files for topics that interest you.

Do not forget to use our every time we write rules:

- Say it before you write it
- Use capital letters and full stops
- Use finger spaces
- Spell the 100 high frequency words correctly

Websites:

email address for queries about logins and to send examples:

year2@lea-pri.herts.sch.uk

- Reading Eggspress - in addition to your own reading for enjoyment, there are comprehensions, spelling games and books to read on here. <https://readingeggspress.co.uk>
- Numbots- <https://play.numbots.com/#/intro>
- Education City - there will be a selection of tasks set for Maths and English, with Learn It sections to support some concepts if you need them. I have set some revision work and new learning in the homework section.
There are downloadable worksheets, too, to print out and try. There are lots of different games and activities on this site, so explore, learn and have fun! <https://ec1.educationcity.com>
- Fitter Futures subscription - we have a short-term access to a fitness website aimed at schoolchildren. This has workouts you can do at home and mental health and well-being activities you can try.
<https://app.fitterfuture.com/student/auth/login>
- LetterJoin <https://www.letterjoin.co.uk/>
- Twinkl - parents can use this free from home for a month to support learning at home. A login offer code will be shared with your parents as soon as possible.
 - If using Twinkl, these activities look useful.

What's that Minibeast? Interactive Labelling Activity

This What's that Minibeast? Interactive Labelling Activity is a perfect way for KS1 pupils to learn the names of common garden minibeasts as part of their topic work.

Tuesday

Year 2 Forming Nouns Using Suffixes -er, -ness and -ment Warm-Up PowerPoint

A great way to revise and practise forming nouns by adding the suffixes -er, -ness and -ment.

Curriculum Aim: Year 2 Writing Transcription: Adding Suffixes

Telling the Time: A Time Telling Game

This game makes telling the time fun and challenging. KS1 children can choose from 'on the hour', 'half past', 'quarter past', or five minute increments to test themselves at any level.

Curriculum Aim: Telling the Time

Phonics Play – <https://new.phonicsplay.co.uk>

While schools are closed, you will be able to access all the phonics games and resources on this website. Use the following to log in:

Username: march20

Password: home

When you have logged on, click on 'Resources' and then phase3, 4, 5 or 6.

Super Seeds

9 Most plants begin their lives as seeds. Even giant
18 trees grow from tiny seeds. This leaves lots of
23 people wanting to know how!

34 Inside each seed is a mini plant. It is protected
44 by a hard shell called a seed coat. Inside the seed
55 coat, there is food for the plant to use. This mini
65 plant can become a fully-grown plant if it has all
76 the things that it needs. It waits until it has the
85 right levels of water, oxygen, light and heat. When
95 it does, the mini seed begins to grow quickly. This
98 is called germination.
