Nursery Autumn Term

The children have settled well into Nursery and enjoyed exploring the classroom and outside areas. The bikes, mud kitchen and parachute have been firm favourites!

We started the term thinking about ourselves, our families and what makes us unique. The children enjoyed sharing their special boxes from home and talking about the things they like to do. As the weather changed, we looked for signs of autumn and enjoyed a walk to the outdoor classroom.

We have been exploring pattern; noticing patterns around us, on our clothes and in our surroundings. We copied and created patterns using leaves, conkers and pine cones as well as making patterns using shapes and colours. We had lots of fun making welly patterns outside too!

The children enjoyed reading the story of 'The Little Red Hen' and making their own 'playdough' bread for our class bakery. They also learnt how important it is to work as a team and were all so helpful sweeping up the leaves outside!

Our Little Red Hen display…….

Recently, we have been thinking about light and dark. The children have learnt about Diwali – the festival of lights and enjoyed decorating our home corner with rangoli patterns and tea lights.
