

## **Reception Autumn Term 2022**

We have had been doing some super learning in Reception this term. Our topics have been 'All about Me' and 'Into the Woods'.

We have all settled into school life at The Lea very well. We are making friends and love to learn through all the play activities we do in class.

We learnt about our body and how different parts of our body help us to stay healthy. We had a visit from a real nurse who taught us how to wash our hands so we can stay healthy. We learnt which foods are good and not so good for our body. We then turned some healthy foods into art just like Guiseppe Arcimboldo did!

We have been reading woodland themed books like 'We're Going on a Bear Hunt.' We loved going for a real life bear hunt with our year 6 buddies. Whilst we have been reading about woodland stories we have been learning about seasons and our local environment.

Our RE lessons have been super fun. We got to make edible sparklers in our RE lesson to celebrate Diwali and fireworks night!

In maths we have been learning about the composition of numbers 1-5 and counting to 30! We have also learnt about 2d shapes, size and capacity. We have our very own Costa coffee shop in our role play area and we practiced making coffees that are full, half full and empty.

In PE we have been learning to move in all different ways and we have been throwing and catching. We also love to do gymnastics, every week we get to climb on the wall bars and learn to jump and roll in different ways.

We are now getting ready for our nativity play!
