How can you support your children's learning at home?

- Encourage independent and shared reading at least 3 x a week
- Remind your child to use our Every Time We Write rules in all Home Learning tasks to develop writing fluency and accuracy
- Ask your child what our Word of the Week is and what it means
- Play games to support quick mental addition and subtraction strategies
- Practise x tables, and as division facts, regularly. Don't forget the children all have TTRS logins to use the TTRS games and activities at home.
